Banchan Korean Restaurant

Pescatarian/ Vegetarian/ Vegan menu

Very important notice:

1. For now, our kimchi contains fish (squid) sauce. Anything with kimchi is Pescatarian and everything else is vegetarian.
2. **You have to let us know that you are vegetarian or vegan.** Once we know, we alter our recipe. If you don't let us know, we make as it is from our usual menu.

We can make most of our vegetarian menu vegan as we can take out egg and substitute with veg or tofu. These items are marked with * next to the name
